MEDIA RELEASE

Mother and Child Missing from South Lebanon

March 7, 2016
3:00 P.M.

The Warren County Sheriff's Office is asking for the public's assistance in locating a mother and her child. Kallie Carnes, age 20, and her son, Grant, age 22 months, have not been seen or heard from since Wednesday, March 2, 2016, at 7:20A.M. Both were last seen at 172 Parkview Drive in South Lebanon.

Kallie left her family a handwritten note, which indicated she needed some time away to herself. Kallie is believed to be driving a white 2001 Buick Lesabre with Ohio license GMK 5233.

It is possible she is traveling with a Joshua Craft, age 20, but that has not been confirmed. Kallie's family and friends are very concerned for her and Grant's well being, and urge the public to contact their local law enforcement, if they see them or know of their whereabouts.

Below is a picture of a similar make and model of the vehicle they may be driving.

You can reach the Warren County Sheriff's Office by calling **513-925-2525**.
