3. Mayor Lawhorn opened the floor to the public:

Adam McGee – 5214 Homestead – stated he was wondering what the update is on the Cochran Road gate or closing of that. Mayor Lawhorn said the solicitor is working on an agreement for the two residents who are affected. He said they have agreed to a gate that only safety vehicles can go through until the road around is built. Bruce McGary said by the end of next week we may have a draft to the property owners, we have been waiting on the engineers and we just received that on Wednesday.

Adam asked about closing the street for a block party if there was a process and Mayor Lawhorn said as long as it is a public street and the only way through there, he does not think that would be possible.

4. Administrator Haddix reviewed his memo. He said the Zoar Road project is progressing. He said there is a preconstruction meeting scheduled for next week on Shepherd's Crossing. Jerry said he met with Trane on the old schoolhouse and there are a lot of issues, there is intermingling between the two buildings with the services. He said he is getting a committee together to review the ballfield proposals. Jerry said Speedway opening was postponed because Duke has been slow getting them their services and their engineers made a mistake on the parking lot. He said there were also some issues with the traffic signals and striping but they have been taken care of.

5. Mayor Lawhorn said Trick-or-Treat will be October 31st from 6:00 p.m. to 8:00 p.m.
6. Riley asked if Tony could attend a meeting so if council has questions. Jerry said the first meeting of the month would be best.
7. A motion to adjourn the meeting was made at 7:15 p.m. by Boerio, seconded by Riley, all yeas.
