MEMORANDUM

To: Mayor & Village Council

CC: Paul Revelson, Village Solicitor

From: Jerry Haddix, Village Administrator

Date: May 16, 2017

Subject: 496 Mary Lane

At the last Council meeting, we discussed the property located at 496 Mary Lane. This is a dilapidated property that has been vacant for over ten (10) years. The Warren County Treasurer has foreclosed on the property for unpaid property taxes. On 4/17/17, the property failed to sell with a starting bid of \$11,500. It is scheduled for auction again on June 5 with a starting bid of \$12,000.

If the property fails to sell on the 2nd try, it would go on the forfeited land sale list. After speaking with the County Treasurer's office, the earliest this property would be available to be claimed by the Village would be next spring. If the Village claimed it then, we would still be responsible for the back taxes which are currently over \$9,000.

Also, this property would be eligible for demolition through the County's Neighborhood Stabilization Program (NSP). There would not be a lien on the property due to the size of the lot. The value of the demolition including asbestos abatement would probably be over \$10,000.

Let me know if you have any questions or need additional information.
