3. Councilmember Corcoran explained what Veterans Day means to him and the profound impact as a Marine in Afghanistan twelve years ago. On Veterans Day 2007, he was awoken at 2:00 a.m. for a Fallen Comrade Ceremony and saluted as the six Humvee's carrying the fallen soldiers from a firefight on November 9, 2007 passed by. He thought about what his family was doing back home and how different their Veterans Day experience would be compared to the families of the fallen soldiers and that thought made a big impact.

Corcoran said when he retired from the Marine Corps, he was looking for a place to live that is Veteran friendly and so he and his family settled in South Lebanon. It's the South Lebanon Historical Society and their Veterans Banner Program and the Mayor's Veterans Memorial project across the street that make South Lebanon a Veteran friendly place and he is glad to be here. Corcoran challenged everyone to take this weekend and think about the individuals who are not safe, cold and are protecting us so that we can enjoy this weekend. Corcoran wished everyone a good Veterans Day.

4. Mayor Smith asked for a motion to adjourn the meeting at 7:42 p.m. A motion made by Madison, seconded by Burke, all yeas.
