SECTION 5. The Fiscal Officer is appointed to act as the initial authenticating agent, bond registrar and transfer agent (collectively, the “Registrar”) for the Series 2023 Bonds. In accordance with applicable law, the City may hereafter designate a different person to serve as Registrar and enter into a contract for the provision by that person of services as Registrar. No Series 2023 Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the form of Series 2023 Bond, is signed by the Registrar as authenticating agent. Authentication by the Registrar shall be conclusive evidence that the Series 2023 Bond so authenticated has been duly authenticated and delivered under this resolution and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of or designated as the Registrar. It shall not be necessary that the same authorized person sign the certificate of authentication on each Series 2023 Bond.

So long as the Series 2023 Bonds remain outstanding, the City shall cause the Register to be maintained and kept by the Registrar, at the office of the Registrar, for the registration exchange and transfer of the Series 2023 Bonds as provided in this Section, including a current and accurate record of the name and address of each Holder. The registered Holder of a Series 2023 Bond shall be regarded as the absolute owner of that Series 2023 Bond for all purposes of this Ordinance and the payment of principal and interest on each Series 2023 Bond shall be made only to or upon the order of that Holder. Neither the City nor the Holder shall be affected by any notice to the contrary, but the registration may be changed as herein provided.

The Series 2023 Bonds upon presentation and surrender thereof at the office of the Registrar, together with a request for exchange signed by the registered Holder or by a person authorized by the Holder to do so by a power of attorney satisfactory to the Registrar, may be exchanged, at the option of the Holder, for a Series 2023 Bond or Bonds of the same tenor and effect and in a denomination or denominations equal to the aggregate outstanding principal amount of the Series 2023 Bond surrendered. In all cases in which a Series 2023 Bond is exchanged for a new Series 2023 Bond or Bonds, the Mayor and Fiscal Officer shall execute a replacement Series 2023 Bond or Bonds, and the Registrar shall undertake the actions necessary to authenticate and deliver the replacement Series 2023 Bond or Bonds only after execution of the new Series 2023 Bond or Bonds by the Mayor and the Fiscal Officer.

Every exchange of a Series 2023 Bond shall be without charge to the Holder; except that the City and the Registrar may make a charge sufficient to reimburse them, respectively for any tax or other governmental charge required to be paid upon any such exchange or transfer. The City and the Registrar may require that those charges, if any, be paid before they begin the procedure for the exchange. Any Series 2023 Bond issued upon an exchange shall be the valid special obligation of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Series 2023 Bond surrendered upon that exchange.

The City shall execute, and the Registrar shall complete, authenticate, deliver and register, a replacement Series 2023 Bond to replace any Series 2023 Bond lost, stolen, destroyed or mutilated upon receiving written request from the Holder, together with (i) the destroyed or mutilated Series 2023 Bond or (ii) indemnification of the City and the Registrar in a form and issued by an indemnitor satisfactory to the Fiscal Officer and the Registrar.

Any Series 2023 Bond surrendered to the Registrar pursuant to this Ordinance for the purpose of retirement, or for exchange or replacement, shall be cancelled by the Registrar. Written reports of surrender and cancellation, if any, of the Series 2023 Bonds shall be made to the Fiscal Officer by the Registrar at least once each calendar year. Unless otherwise directed by the Council of the City, any canceled Series 2023 Bond shall be retained and stored by the Registrar for a period of seven years. After that time, or at any earlier time as authorized by the Council of the City, any canceled Series 2023 Bond may be destroyed by the Registrar by shredding or cremation, with evidence of that destruction (describing the manner of the destruction) to be provided by the Registrar to the Fiscal Officer.

SECTION 6. The Series 2023 Bonds may be redeemed in whole or in part at any time. Notice of the call for redemption of the Series 2023 Bonds, specifying the numbers of the Series 2023 Bonds to be redeemed, shall be sent by the Registrar by registered mail to the registered holders thereof, not less than seventy-five (75) days prior to the date of redemption, upon which date all interest upon the Series 2023 Bonds or portions thereof so called shall cease except those as to which default shall be made in the payment of the redemption price. Prior to any notice of call for redemption funds for such redemption shall be on deposit with the City and the City shall direct the Registrar in writing to make any notice of call for redemption.

The Series 2023 Bonds are subject to mandatory redemption on the dates and in the amounts set forth in the Certificate of Award.

If less than all of the Series 2023 Bonds shall be called for redemption at the option of the City, those Series 2023 Bonds to be called shall be determined by the Registrar by lot, provided, however, that the portion of any Series 2023 Bond to be redeemed shall be in the principal amount of \$5,000 or any integral multiple thereof.

The Series 2023 Bonds shall initially be numbered from R-1 upwards; provided, however, that in the event of the exchange or transfer of any Series 2023 Bond, any new Series 2023 Bonds issued by the Registrar as a result of such exchange or transfer shall be numbered in a manner which will assure that such new Series 2023 Bonds retain the same terms with respect to redemption as were possessed by the exchanged or transferred Series 2023 Bonds.

The principal of, and interest on, the Series 2023 Bonds shall be payable to the registered holders thereof by check or draft of the Registrar, and such payment shall be made without deduction for the services of such Registrar. At the written request of the registered owner of at least \$100,000 aggregate principal amount of the Series 2023 Bonds received by the Registrar at least one business day prior to the corresponding record date, interest accrued on the Series 2023 Bonds will be payable by wire transfer within the continental United States in immediately available funds to the bank account number of such owner specified in such request, and, so long as the Authority is the sole holder of the Series 2023 Bonds, any trust account held on its behalf specified by the Authority, and entered by the Registrar on the registration records.

SECTION 7. The Series 2023 Bonds shall be designated “Tax Increment Revenue Refunding Bonds, Series 2023 (Rivers Crossing Project)”.

SECTION 8. Upon the face of each of the Series 2023 Bonds shall be recited a reference to the Act and this Ordinance. Each of the Series 2023 Bonds shall express upon its face the purpose for which the same is issued and that such Series 2023 Bond is payable solely from the Revenues. The Series 2023 Bonds shall bear the manual or facsimile signatures of the Mayor and the Fiscal Officer of the City, shall be authenticated manually by the Registrar, and shall bear the manual or facsimile impression of the corporate seal of the City. The Series 2023 Bonds shall be prepared, issued, and delivered to the Original Purchaser under the direction of the appropriate officers of the City as hereinafter provided. The Original Purchaser shall, if requested by the City, execute and deliver to the City an Investment Letter which shall certify that the Original Purchaser is either (i) a “qualified institutional buyer” within the meaning of subsection (a) of Rule 144A promulgated by the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended or (ii) an “accredited investor” within the meaning of Rule 501 of Regulation D promulgated by the Securities and Exchange Commission pursuant to the Securities Act of 1933, and in either case has otherwise received sufficient information and data to evaluate its purchase of the Series 2023 Bonds. Any permitted transferee of a Series 2023 Bond, shall, in writing, provide the Registrar with certain certificates, in substantially the same manner as indicated in the above-referenced Investment Letter. Each of the Series 2023 Bonds shall furthermore bear the following legend: **“Neither this Bond, nor any portion of, rights under or interest in this Bond, shall be sold, assigned or transferred unless the Registrar shall first have received prior written approval from the Mayor of the City of South Lebanon, Ohio and one of the following: (i) a written certificate from the transferee that certifies that the transferee is a “qualified institutional buyer” within the meaning of subsection (a) of Rule 144A promulgated by the Securities and Exchange Commission pursuant to the Securities Act of**

1933, as amended; or (ii) a written certificate from the transferee that certifies that the transferee is a “accredited investor” within the meaning of Rule 501 of Regulation D promulgated by the Securities and Exchange Commission pursuant to the Securities Act of 1933 or (iii) a certificate from the Fiscal Officer of the City of South Lebanon, Ohio to the effect that the restrictions on transfer under the Ordinance are no longer in effect.”

SECTION 9. The Series 2023 Bonds are hereby awarded and shall be delivered to the Original Purchaser upon payment for the Series 2023 Bonds. The Fiscal Officer is hereby authorized and directed in the name of and on behalf of the City to execute the Certificate of Award setting forth the terms of the Series 2023 Bonds not set forth in this Ordinance. The Series 2023 Bonds shall be payable solely from the Revenues, including the Service Payments required to be made under the Service Agreement, and shall be secured by a pledge of, and lien on, the Revenues. The pledge of, and lien on, any Service Payments shall be senior to all other notes and bonds issued by the City that are payable from the Service Payments.
