OPWC Project

RECITALS

The Local Transportation Improvement Fund created under Ohio Revised Code Section 164.14 is to benefit local subdivisions for the planning, construction, reconstruction, and improvement of roads, streets and bridges;

Pursuant to Ohio Revised Code Section 164.02, the Ohio General Assembly created the Ohio Public Works Commission (OPWC) to implement the policies set forth in Article VIII of the Ohio Constitution and Ohio Revised Code Chapter 164;

Pursuant to Ohio Revised Code Section 164.05, the Director is empowered to (i) enter into agreements with Local Subdivisions to provide loans, grants, and local debt support for Capital Improvement Projects; and (ii) authorize payments to Local Subdivisions or their Contractors for costs incurred for Capital Improvement Projects;

Pursuant to Ohio Revised Code Section 164.14, the Director is empowered to review and approve or disapprove requests for financial assistance from the District Public Works Integrating Committees in accordance with the criteria set forth in Ohio Revised Code Sections 164.14(C) and (E);

Ohio Revised Code Section 164.14 permits a grant of funds for such a Capital Improvement Project to be expended or provided only after the District Committee has submitted a request to fund the Project to the Director outlining the Recipient's planned use of the funds, and subsequent approval of the request by the Director;

The Recipient desires to engage in the Capital Improvement Project described in Appendix A of this Agreement; and

The Project has been duly recommended to the Director pursuant to Ohio Revised Code Section 164.06 by the District Committee of which the Recipient is a part.

In consideration of the contained promises and covenants, the undersigned agree as follows:

I. **DEFINITIONS.** The following words and terms as used in this Agreement shall have the following meanings.

“Capital Improvement” or “Capital Improvement Project” means the acquisition, construction, reconstruction, improvement, planning and equipping of roads and bridges.

“Chief Executive Officer” means the single office or official of the Recipient and as designated in Appendix A pursuant to Section V. A. or authorized designee as per written notification to the Director.

“Chief Fiscal Officer” means the single office or official of the Recipient and as designated in Appendix A, pursuant to Section V. A, or authorized designee as per written notification to the Director.

“Contractor” means a person who has a direct contractual relationship with the Recipient and is the manufacturer of all or a portion of the Project, or the provider of labor, materials or services in connection with the acquisition, improvements, construction, reconstruction, expansion, or engineering of the Project; or both.

“Cost of Project” means the costs of acquiring, constructing, reconstructing, expanding, improving and engineering projects and shall also be deemed to include preliminary costs, including but not limited to, planning costs, design costs.

“Effective Date” means the date set forth on Page One of this Agreement.

“Eligible Project Costs” means such portion of the Project costs disbursed from the OPWC to the Recipient for the sole and express purpose of acquiring, constructing, reconstructing, expanding, improving, engineering and equipping the Project, other direct expenses, and related financing costs.

“Local Subdivision” means a county, municipal corporation, or township of the State.

Both percentages are identified in Appendix B. If the total actual Project costs exceed the estimated Project costs identified in Appendix B, the Local Subdivision Participation Percentage will increase to reflect the cost overrun, while the OPWC percentage contribution will decrease recognizing that there is a maximum dollar contribution from the OPWC which is identified in this Project Agreement.

“Project” means the scope of work specified in Appendix A.

“Project Manager” means the principal employee or agent of the Recipient having administrative authority over the Project designated in Appendix A pursuant to Section V.A., or authorized designee as per written notification to the Director.

II. GRANT OF FINANCIAL ASSISTANCE. Subject to the terms and conditions contained in this Agreement, the Director hereby grants to the Recipient financial assistance, as established in this section, for the sole and express purpose of paying or reimbursing the eligible costs certified to the Director under this Agreement for the completion of the Project.

A. *The Grant.* The Director hereby agrees to provide financial assistance in the form of a grant, from the Local Transportation Improvement Fund, at the rate of % not to exceed Four Hundred Forty Five Thousand Three Hundred Forty Two Dollars (\$ 445,342).

B. *Joint Funded Project with the Ohio Department of Transportation.* For those projects advertised, awarded and administered by the Ohio Department of Transportation (ODOT), the Recipient and the Director hereby assign certain responsibilities to the ODOT, an authorized representative of the State of Ohio. Notwithstanding Sections V.A., V.B., and V.C. of the Project Agreement, the Recipient hereby acknowledges that upon notification by the ODOT, all payments for eligible project costs will be disbursed by the Director and the OPWC directly to the ODOT. A Memorandum of Funds issued by the ODOT shall be used to certify the estimated project costs. Upon receipt of a Memorandum of Funds from the ODOT, the OPWC shall transfer funds directly to the ODOT via an Intra-State Transfer Voucher. The amount or amounts transferred shall be determined by applying the Participation Percentages defined in Appendix B to those eligible project costs within the Memorandum of Funds.

III. LOCAL SUBDIVISION CONTRIBUTION. The Recipient shall, at a minimum, contribute to the Project the Local Subdivision Participation Percentage as set forth in Appendix B of this Agreement. In the event that the total actual Project costs exceed the estimated Cost of Project identified in Appendix B, the OPWC shall not be required to increase the maximum amount of the grant and the Recipient shall increase its Local Subdivision Contribution to meet such actual Cost of Project.

- IV. **PROJECT SCHEDULE.** Construction of the Project must begin within one year of the Effective Date of this Agreement, or this Agreement may become null and void at the sole discretion of the Director. A preliminary construction schedule is provided in Appendix A. Delays, with reason for the delay(s), must be communicated to the Director as soon as possible. The Director will review written requests for extensions and may extend the construction start date taking into consideration the Project can be completed within a reasonable time frame. Failure to meet the schedule without approval for an extension may cause this Agreement to become null and void at the sole discretion at the Director.
- V. **DISBURSEMENTS.** All payments made by the OPWC shall be made directly to the contractor that performed the work on the Project and originated the invoice unless the Recipient requests reimbursement. The following provisions apply to Project disbursements:
- A. *Project Administration Designation.* Pursuant to Ohio Administrative Code 164-1-21(B)(1-3), the Recipient shall designate its Chief Executive Officer, Chief Fiscal Officer, and Project Manager in Appendix A of this Agreement. The Director and OPWC must be notified of changes in these designations in writing including the addition of designees or alternates.
- B. *Disbursements to Contractors to Pay Costs of the Project.* The Recipient shall submit to the Director a Disbursement Request together with the information and certifications required by this section, unless otherwise approved by the Director. The dollar amount set forth in the Disbursement Request shall be calculated based on the Participation Percentage set forth on Page One of this Agreement or as amended, to account for changed conditions in the Project financing scheme. If all requirements for disbursement are deemed by the Director to be accurate and completed, the Director shall initiate a voucher in accordance with applicable State requirements for the payment of the amount set forth in the Disbursement Request. The Office of Budget and Management, Ohio Shared Services, will forward the warrant, drawn in connection with the voucher, by regular first-class United States mail or electronic funds transfer to the contractor or other authorized recipient designated in the Disbursement Request. Prior to any disbursement from the Fund, the following documents shall be submitted to the Director by the Recipient:
1. If the request is for disbursement to a Contractor, an invoice submitted to the Recipient by the Contractor which invoice requests payment of such sums in connection with its performance of the Project;
 2. If the request is for disbursement to the Recipient, proof of payment of the invoice such as check, warrant, or other evidence satisfactory to the Director that payment of such sums has been made by the Recipient in connection with the portion of the Project for which payment is requested;
 3. A Disbursement Request Form properly certified by the Project Manager, Chief Executive Officer and the Chief Fiscal Officer; and
 4. Such other certificates, documents and other information as the Director may reasonably require.
- If the Director finds that the documents comply with the requirements of this Agreement, the Director is authorized to cause the disbursement of moneys from the Fund for payment of the identified Project costs. The Recipient represents that the Project was initially constructed, installed or acquired by the Recipient no earlier than the Effective Date of this Agreement.
- C. *Limitations on Use.* No part of the moneys delivered to the Recipient pursuant to Section II is being or will be used to refinance, retire, redeem, or otherwise pay debt service on all or any part

of any governmental obligations regardless of whether the interest on such obligations is or was excluded from gross income for federal income tax purposes.

- D. *Project Scope.* The physical scope of the Project shall be limited to only those Capital Improvements as described in Appendix A of this Agreement. If circumstances require a change in such physical scope, the change must be approved by the District Committee, recorded in the District Committee's official meeting minutes, and provided to the Director for the execution of an amendment to this Agreement.
- E. *Project Cost Overruns.* If the Recipient determines that the moneys granted pursuant to Section II, together with the Local Subdivision Contribution, are insufficient to pay in full the costs of the Project, the Recipient may make a request for supplemental assistance to its District Committee. Pursuant to Ohio Administrative Code Section 164-1-23, the Recipient must demonstrate that such funding is necessary for the completion of the Project and the cost overrun was the result of circumstances beyond the Recipient's control, that it could not have been avoided with the exercise of due care, and that such circumstances could not have been anticipated at the time of the Recipient's initial application. Should the District Committee approve such request, the action shall be recorded in the District Committee's official meeting minutes and provided to the Director for the execution of an amendment to this Agreement.

VI. **CONDITIONS TO FINANCIAL ASSISTANCE AND ITS DISBURSEMENT.** The Recipient must comply with the following before receiving funds:

- A. The Recipient certifies that the Local Subdivision Contribution necessary for the completion of the Project is available or expected to be available through the construction of the Project and must demonstrate its compliance with the provisions of Ohio Revised Code Chapter 164 and Ohio Administrative Code Chapter 164-1. If the local share as certified by the Chief Fiscal Officer at the time of the Project application becomes unavailable, the Recipient is to notify the Director and the OPWC as soon as possible or this Agreement may become null and void at the sole discretion at the Director.
- B. The Recipient shall execute all other documents and certificates as deemed necessary by the Director, on the date hereof or at any time hereafter in connection with the financial assistance and disbursement of moneys pursuant to this Agreement, including any amendments to this Agreement.

VII. **REPRESENTATIONS, WARRANTIES AND COVENANTS OF RECIPIENT.** Recipient represents warrants and covenants for the benefit of the Director as follows:

- E. The Recipient is not the subject of, or has it initiated any claim or cause of action that would give rise to any liability which would in any way inhibit Recipient's ability to carry out its performance

of this Agreement according to its terms.

- F. *Use of Proceeds.* With respect to the Project to be financed or reimbursed by moneys granted pursuant to Section II:
1. The total cost of the Project shall not and will not include any cost which does not constitute “Costs of Capital Improvements Projects,” as defined in Ohio Revised Code Section 164.01(F);
 2. All the Project is owned, or will be owned, by the Recipient or another Tax-Exempt Organization, upon providing prior written notice to the Director.
- G. *Sufficiency of Moneys.* The Recipient has sufficient moneys in addition to those granted to Recipient pursuant to this Agreement to fund the Project to completion, as its Local Subdivision Contribution.
- H. *Construction Contract.* If federal funds are included as part of the financing of the non-OPWC portion of the Project, federal law may prevail, including, but not limited to, application of Davis Bacon prevailing wage rates, the Copeland “Anti-Kickback” Act, the Contract Work Hours and Safety Standards Act, and any federal environmental regulations. Recipient is solely responsible for ensuring compliance with federal requirements applicable to its Local Subdivision Contribution. Notwithstanding the above, the following provisions apply to construction contracts under this Agreement:
1. *Ohio Preference.* The Recipient shall, to the extent practicable, use and shall cause all its Contractors and subcontractors to use Ohio products, materials, services and labor in connection with the Project pursuant to Ohio Revised Code Section 164.05(A)(6);
 2. *Domestic Steel.* The Recipient shall use and cause all its Contractors and subcontractors to comply with domestic steel use requirements pursuant to Ohio Revised Code Section 153.011;

 6. *Insurance.* The Recipient shall require that each of its construction contractors and subcontractors maintain during the life of its contract or subcontract appropriate Workers Compensation Insurance, Commercial General Liability, Public Liability, Property Damage and Vehicle Liability Insurance, and require Professional Liability Insurance for its professional architects and engineers; and
 7. *Supervision.* The Recipient shall provide and maintain competent and adequate Project management covering the supervision and inspection of the development and construction of the Project and bear the responsibility of ensuring that construction conforms to the approved surveys, plans, profiles, cross sections and specifications.

- VIII. PROGRESS REPORTS. The Recipient shall submit to the Director, at the Director's request, summary reports detailing the progress of the Project pursuant to this Agreement and any additional reports containing such information as the Director may reasonably require.

The Recipient shall, at all reasonable times, provide the Director access to a right to inspect all sites and facilities involved in the Project and access to and a right to examine or audit any and all books, documents and records, financial or otherwise, relating to the Project or to ensure compliance with the provisions of this Agreement. The Recipient shall maintain all such books, documents and records for a period of six years after the termination of this Agreement, and such shall be kept in a common file to facilitate audits and inspections. All disbursements made pursuant to the terms of this Agreement shall be subject to all audit requirements applicable to State funds. The Recipient shall ensure that a copy of any final report of audit prepared in connection with and specific to the Project, regardless of whether the report was prepared during the pendency of the Project or following its completion, is provided to the Director within 10 days of the issuance of the report. The Recipient simultaneously shall provide the Director with its detailed responses to each negative or adverse finding pertaining to the Project and contained in the report. Such responses shall indicate what steps will be taken by the Recipient in remedying or otherwise satisfactorily resolve each problem identified by any such finding. If the Recipient fails to comply with the requirements of this Section or fails to institute steps designated to remedy or otherwise satisfactorily resolve problems identified by negative audit findings, the Director may bar the Recipient from receiving further financial assistance under Ohio Revised Code Chapter 164 until the Recipient so complies or until the Recipient satisfactorily resolves such findings.
