All terms and conditions contained herein shall inure to the benefit of and be binding upon the parties and their respective successors and assigns.

2. After Grantee has constructed, approved and accepted the Improvements, the Improvements shall be operated, maintained, renewed, reconstructed, repaired and/or replaced by Grantee as necessity requires, as determined in the sole discretion of

Grantee. Grantors shall have the right to repurchase the permanent Easement interest for its fair market value at the time of repurchase as may be required by Ohio Rev. Grantors understand and agrees that restoration of Grantors' property within the Easement Area shall not include repair or replacement of any structures, improvements, fixtures of other tangible items in the Easement Area.

4. The perpetual easement rights granted herein are "exclusive" as to all except the Grantors and any previously granted rights of record. Grantors retain the right to use the subject real property for all purposes which do not in any manner impair Grantee's use or interfere with the construction, operation, maintenance, repair, removal, replacement or reconstruction of the Improvements or access thereto. Grantors shall not cause or allow any permanent or temporary building, structure, facility, or improvement to be constructed in or upon the Easement Area, except utility service lines, paved parking, driveways, landscaping and sidewalks. If Grantors make permanent or temporary improvements in or upon the Easement Area, other than those stated above, then Grantors shall assume full responsibility for any damage or destruction of such improvements by Grantee, and Grantee, its employees, agents, representatives and contractors, shall not be liable for any damage or destruction of such improvements during the good faith exercise of the rights granted herein.

5. Grantors hereby covenant with Grantee to be the true and lawful owners of the above-described real property and lawfully seized of the same in fee simple and having good right and full power to grant this Easement and will not convey or transfer fee simple ownership of the described real property prior to this instrument being
