The Village shall transfer to the Note Account (to be used to pay interest on the Series 2015 A Notes) any moneys remaining in the Cost of Issuance Account upon determination by the Fiscal Officer of the Village that all the costs described above have been received and paid by the Village.

(b) The amount, representing capitalized interest on the Series 2015 A Notes, as directed in the Certificate of Award, to the account hereby created and designated as the "Note Account" to be held by the Paying Agent.

(c) The remainder to the account hereby created and designated as the "Project Account", which Project Account shall be held by the Paying Agent and disbursed in accordance with the Infrastructure Agreement to pay the Purchase Price for a portion of the Costs of Work paid by the Owner in connection with the construction of the Public Improvements. The money in the Project Account shall be invested in Eligible Investments maturing not later than it is needed to pay for the costs of the Public Improvements.

Any accrued interest on the Series 2015 A Notes shall be transferred by the Paying Agent to the Note Account and shall be applied by such Paying Agent only to the payment of the interest and principal of the Series 2015 A Notes and for no other purpose.

The Note Account and the Project Account shall be maintained in the custody of the Paying Agent. The Note Account may be used for the payment of the principal of and interest on the Series 2015 A Notes and, to the extent provided in this Ordinance, for the redemption and the purchase for retirement of Series 2015 A Notes.

Any Series 2015 A Notes purchased for cancellation shall be purchased at a price not exceeding their then prevailing call price, if any, nor exceeding their fair market value.

SECTION 8. From and after the date of issuance and delivery of the Series 2015 A Notes the Service Payments shall be set aside and deposited by the Village in the TIF Fund. The TIF Fund shall be administered as follows with the following payments being made in the following order:

FIRST: Pursuant to the Amended and Restated Tax Incentive Agreement dated as of July 15, 2014 (as amended from time to time, the "School Compensation Agreement") with Kings Local School District (the "School District"), the amount of compensation owed to the School District under the School Compensation Agreement shall be paid to the School District.

SECOND: Subject to the parity lien on the Service Payments of all other notes and bonds issued by the Village that are payable from the Service Payments, there shall be paid into the Note Account on the second business day immediately preceding each Interest Payment Date, an amount equal to the interest due on all outstanding Series 2015 A Notes on the next ensuing Interest Payment Date, and, on the second business day immediately preceding the maturity date or redemption date, as the case may be, of the Series 2015 A Notes, an amount equal to the principal and interest due on such maturity date or redemption date.

THIRD: As provided for in the School Compensation Agreement.

FOURTH: As provided for in Section 3(d) of the Service Agreement.

The TIF Fund shall be maintained in the custody of the Village.

If, as of the close of business on the second business day immediately preceding an Interest Payment Date or the maturity date or redemption date, as the case may be, of the Series 2015 A Notes, the balance to the credit of the Note Account is less than the amount required to pay principal of and interest on the Series 2015 A Notes and the payment of such amounts has not otherwise been provided for (including by the authorization of the Bonds or other TIF Obligations, as defined in the Service Agreement), then prior to 3:00 p.m. Ohio time on the Business Day immediately preceding the Interest Payment Date, maturity date or redemption date, the Paying Agent shall draw on any Letter of Credit, if any exists, in an amount equal to the difference between the amount required to pay the principal and interest on the Series 2015 A Notes then due and the amount available in the TIF Fund to make such payment.
