However, the Recipient may apply to the Director in writing for an extension of the date to initiate construction. The Recipient shall specify the reasons for the delay in the start of construction and provide the Director with a new start of construction date. The Director will review such requests for extensions and may extend the start date, providing that the Project can be completed within a reasonable time frame.

SECTION VI. Disbursements. All payments made by the OPWC shall be made directly to the Contractor that performed the work and originated the invoice, unless the Recipient uses the reimbursement method.

- A. Project Administration Designation. Pursuant to Paragraph (B) of Rule 164-1-21 of the Administrative Code, the Recipient shall designate its Chief Executive Officer, Chief Fiscal Officer and Project Manager in Appendix B of this Agreement. Changes in these designations must be made in writing.
- B. Disbursements to Contractors to Pay Costs of the Project. The Recipient shall require that as work on the Project and as specified in its contract is performed a Contractor shall promptly submit a detailed project specific invoice to the Project Manager. Within three (3) Business Days following receipt of such invoice from a Contractor, the Project Manager shall review the invoice and, if found to be accurate, shall so certify in writing, forwarding such certification together with a copy of the invoice to the Chief Fiscal Officer. Within five (5) Business Days following receipt of such invoice and certification from the Project Manager, the Chief Fiscal Officer shall conduct such reviews as he considers appropriate and, if he approves such invoice, shall submit to the Director a Disbursement Request together with the information and certifications required by this Section VI .B. - D. Project Scope. The physical scope of the Project shall be limited to only those capital improvements as described in Appendix A of this Agreement. In the event that circumstances require a change in such physical scope, the change must be approved by the District Committee, recorded in the District Committee's official meeting minutes, and provided to the OPWC Director for the execution of an amendment to this Agreement.
- E. Project Cost Overruns. In the event that the Recipient determines that the moneys granted pursuant to Section II hereof, together with the Local Subdivision Contribution, are insufficient to pay in full the costs of the Project, the Recipient may make a request for supplemental assistance to its District Committee. The Recipient must demonstrate that such funding is necessary for the completion of the Project and the cost overrun was the result of circumstances beyond the Recipient's control, that it could not have been avoided with the exercise of due care, and that such circumstances could not have been anticipated at the time of the Recipient's initial application. Should the District Committee approve such request the action shall be recorded in the District Committee's official meeting minutes and provided to the OPWC Director for the execution of an amendment to this Agreement.

SECTION VII. Retainage. Except as provided in the second sentence of this Section, Recipient shall comply in all aspects with the requirements of Sections 153.12, 153.13, 153.14 and 153.63 of the Revised Code, or other law applicable to it, including, but not limited to, the provisions thereof, to the extent applicable to the Recipient, which require the holding of certain amounts from payments to be made to Contractors and the deposit of such amounts into an escrow account established pursuant to Section 153.63 of the Revised Code. The Recipient may use its legally applicable construction requirements for the Project, including, but not limited to, its legally applicable requirements, if any, for the retaining of certain amounts from payments to be made to contractors in lieu of the requirements of Sections 153.12, 153.13, 153.14 and 153.63 of the Revised Code.

SECTION VIII. Conditions to Financial Assistance and its Disbursement. The Grantor's obligations hereunder, including its obligation to make financial assistance available to the Recipient pursuant to the terms of this Agreement, are contingent upon compliance by the Recipient with the following conditions:

Recipient's acquisition and commitment of the Local Subdivision Contribution necessary for the completion of the Project, its compliance with all other provisions of this Agreement, and its compliance with the provisions of Chapter 164 of the Revised Code and Chapter 164-1 of the Administrative Code. For purposes of the preceding sentence, use pursuant to a contract that satisfies the criteria of paragraphs 2 or 3 of this subsection shall not be regarded as a Private Business Use.

 - a. The Recipient will not contract with any Private Person to manage the Project or any portion thereof unless all of the following conditions are met: (A) at least 50% of the compensation of the Private Person is based on a periodic, fixed fee that contains no incentive adjustments, and no amount of compensation is based on a share of net profits; (B) the compensation is reasonable in relation to the services performed; (C) the term of the contract does not exceed five (5) years (including any renewal option periods provided for in the contract); (D) if the term of the contract exceeds three (3) years, the Recipient is able to cancel the contract without penalty or cause at the end of each three-year period of the contract; (E) any automatic increases in the periodic, fixed fee may not exceed the percentage increases determined by an external standard set forth in the contract for computing increases; and (F) any new contract with a Private Person which is subject to this subparagraph F.2. will be subject to the requirements of (A) through (F) of this subparagraph F.2.a.; and
 - b. If the Recipient is subject to subparagraph F.2.a. above and it enters into contracts with Private Persons described in subparagraph F.2.a., and the Governing Body of the recipient numbers five (5) or more members, no more than one (1) member of the Governing Body of the Recipient may be an employee or member of the Governing Body of the Private Person. Similarly, if the Governing Body of the Private Person numbers five (5) or more members, no more than one (1) of those members may be an employee or member of the Governing Body of the Recipient. However, in no event may a member or employee of both the Recipient and Private Person be the Chief Executive Officer or its equivalent of the Recipient or the Private Person. Members of the Governing Body of the Recipient may not own a controlling interest in the Private Person.
 3. Contracts Concerning Use of Project. The Recipient agrees that during the Agreement Term it will not contract with any Private Person for use of the Project or any portion thereof or the facility or facilities of which the Project is a part for any Private Business Use unless all of the conditions of subparagraph F.3.a., subparagraph F.3.b. or subparagraph F.3.c. are met:

- c. If the Recipient is subject to the subparagraphs F.3.a. or F.3.b. and it enters into contracts with Private Persons described in those subparagraphs and the Governing Body of the Recipient numbers five (5) or more members, no more than one (1) member of the Governing Body of the Recipient may be the Private Person referred to in subparagraphs F.3.a. or F.3.b., a related person (as described in Section 144(a)(3) of the Code), an employee of such Private Person, or a member of the Governing Body of such Private Person, provided such member is not the Chief Executive Officer or its equivalent of the Recipient. If the Governing Body or the Recipient numbers less than five (5) members, no member may be such Private Person or an employee of such Private Person or a member of its Governing Body.
- d. The Recipient may depart from any of its agreements contained in subparagraphs F.1. through F.3. if it delivers to the Director, at the Recipient's expense, an opinion of Bond Counsel that to do so would not adversely affect the exclusion of interest on the Infrastructure Bonds from gross income for federal income tax purposes and such opinion is accepted by the Director.

G. Use of Proceeds. With respect to the Project to be financed or reimbursed by moneys granted pursuant to Section II hereof:

- 1. The total cost of the Project shall not and will not include any cost which does not constitute "Costs of Capital Improvements," as defined in the Law;

- 4. The Recipient may depart from any of its agreement contained in subparagraph 3 if it delivers to the Director, at the Recipient's expense, an opinion of Bond Counsel that to do so would not adversely affect the exclusion of interest on the Infrastructure Bonds from gross income for federal income tax purposes and such opinion is accepted by the Director.

J. Construction Contract.

1. Ohio Preference. The Recipient shall, to the extent practicable, use and shall cause all of its Contractors and subcontractors to use Ohio products, materials, services and labor in connection with the Project pursuant to Section 164.05(A)(6) of the Revised Code;

In the absence of any such failure, this Agreement shall terminate and the obligations of the parties hereto shall be deemed to be satisfied on the date on which all of the Infrastructure Bonds, of which the proceeds were used to pay or reimburse the costs of the Project, have been retired.

SECTION XX. No Waiver. If either party hereto at any time fails to require performance by the other of any provision of this Agreement, such failure in no way affects the right to require such performance at any time thereafter, nor shall the waiver by either party of a breach or default under any provision of this Agreement be construed to be a waiver of any subsequent breach or default under that provision or any other provision of this Agreement.

SECTION XXI. Acceptance by Recipient.
