October 9, 2024

TO: Residents of South Lebanon
FROM: Jerry Haddix, City Administrator
RE: South Lebanon Paving Plan - 2025-2030

Earlier this year, the City contracted with Choice One Engineering to conduct a pavement condition analysis of the City's streets and to draft an annual paving program based on this analysis. Based on an estimated budget of \$250,000 per year, the attached paving plan for years 2025 through 2035 was developed with an initial focus through the year 2030.

- Additional funds will be budgeted for pavement maintenance and emergency street repairs throughout the City in addition to the funds set aside for this Plan;
- The City will seek additional grant funding to supplement the City funds budgeted for this Plan; and
- The City Council may annually adjust the budgeted amount for the paving program based on available funds.

If you have any questions or comments re: the plan, please email them to info@southlebanonohio.org or send to the address above by November 1, 2024.

CITY OF SOUTH LEBANON PAVING PROGRAM 2025-2030

CURRENT ROAD PROJECTS APPROVED AND/OR IN PROCESS

Year	Street	from	to	Type	Total	
					Cost	Funding
2024	Forest Avenue	High St	Section St	Reconstruct	\$ 596,070	OPWC & City Funds*
2025	Morrow Rd	Mary Ellen St	Mary Ln	Reconstruct	\$ 950,000	OPWC & City Funds
2025	King Ave	Hobart St	Mary Ellen St	Repaving	\$ 147,301	CDBG & City funds*
TOTAL					\$ 1,693,371	

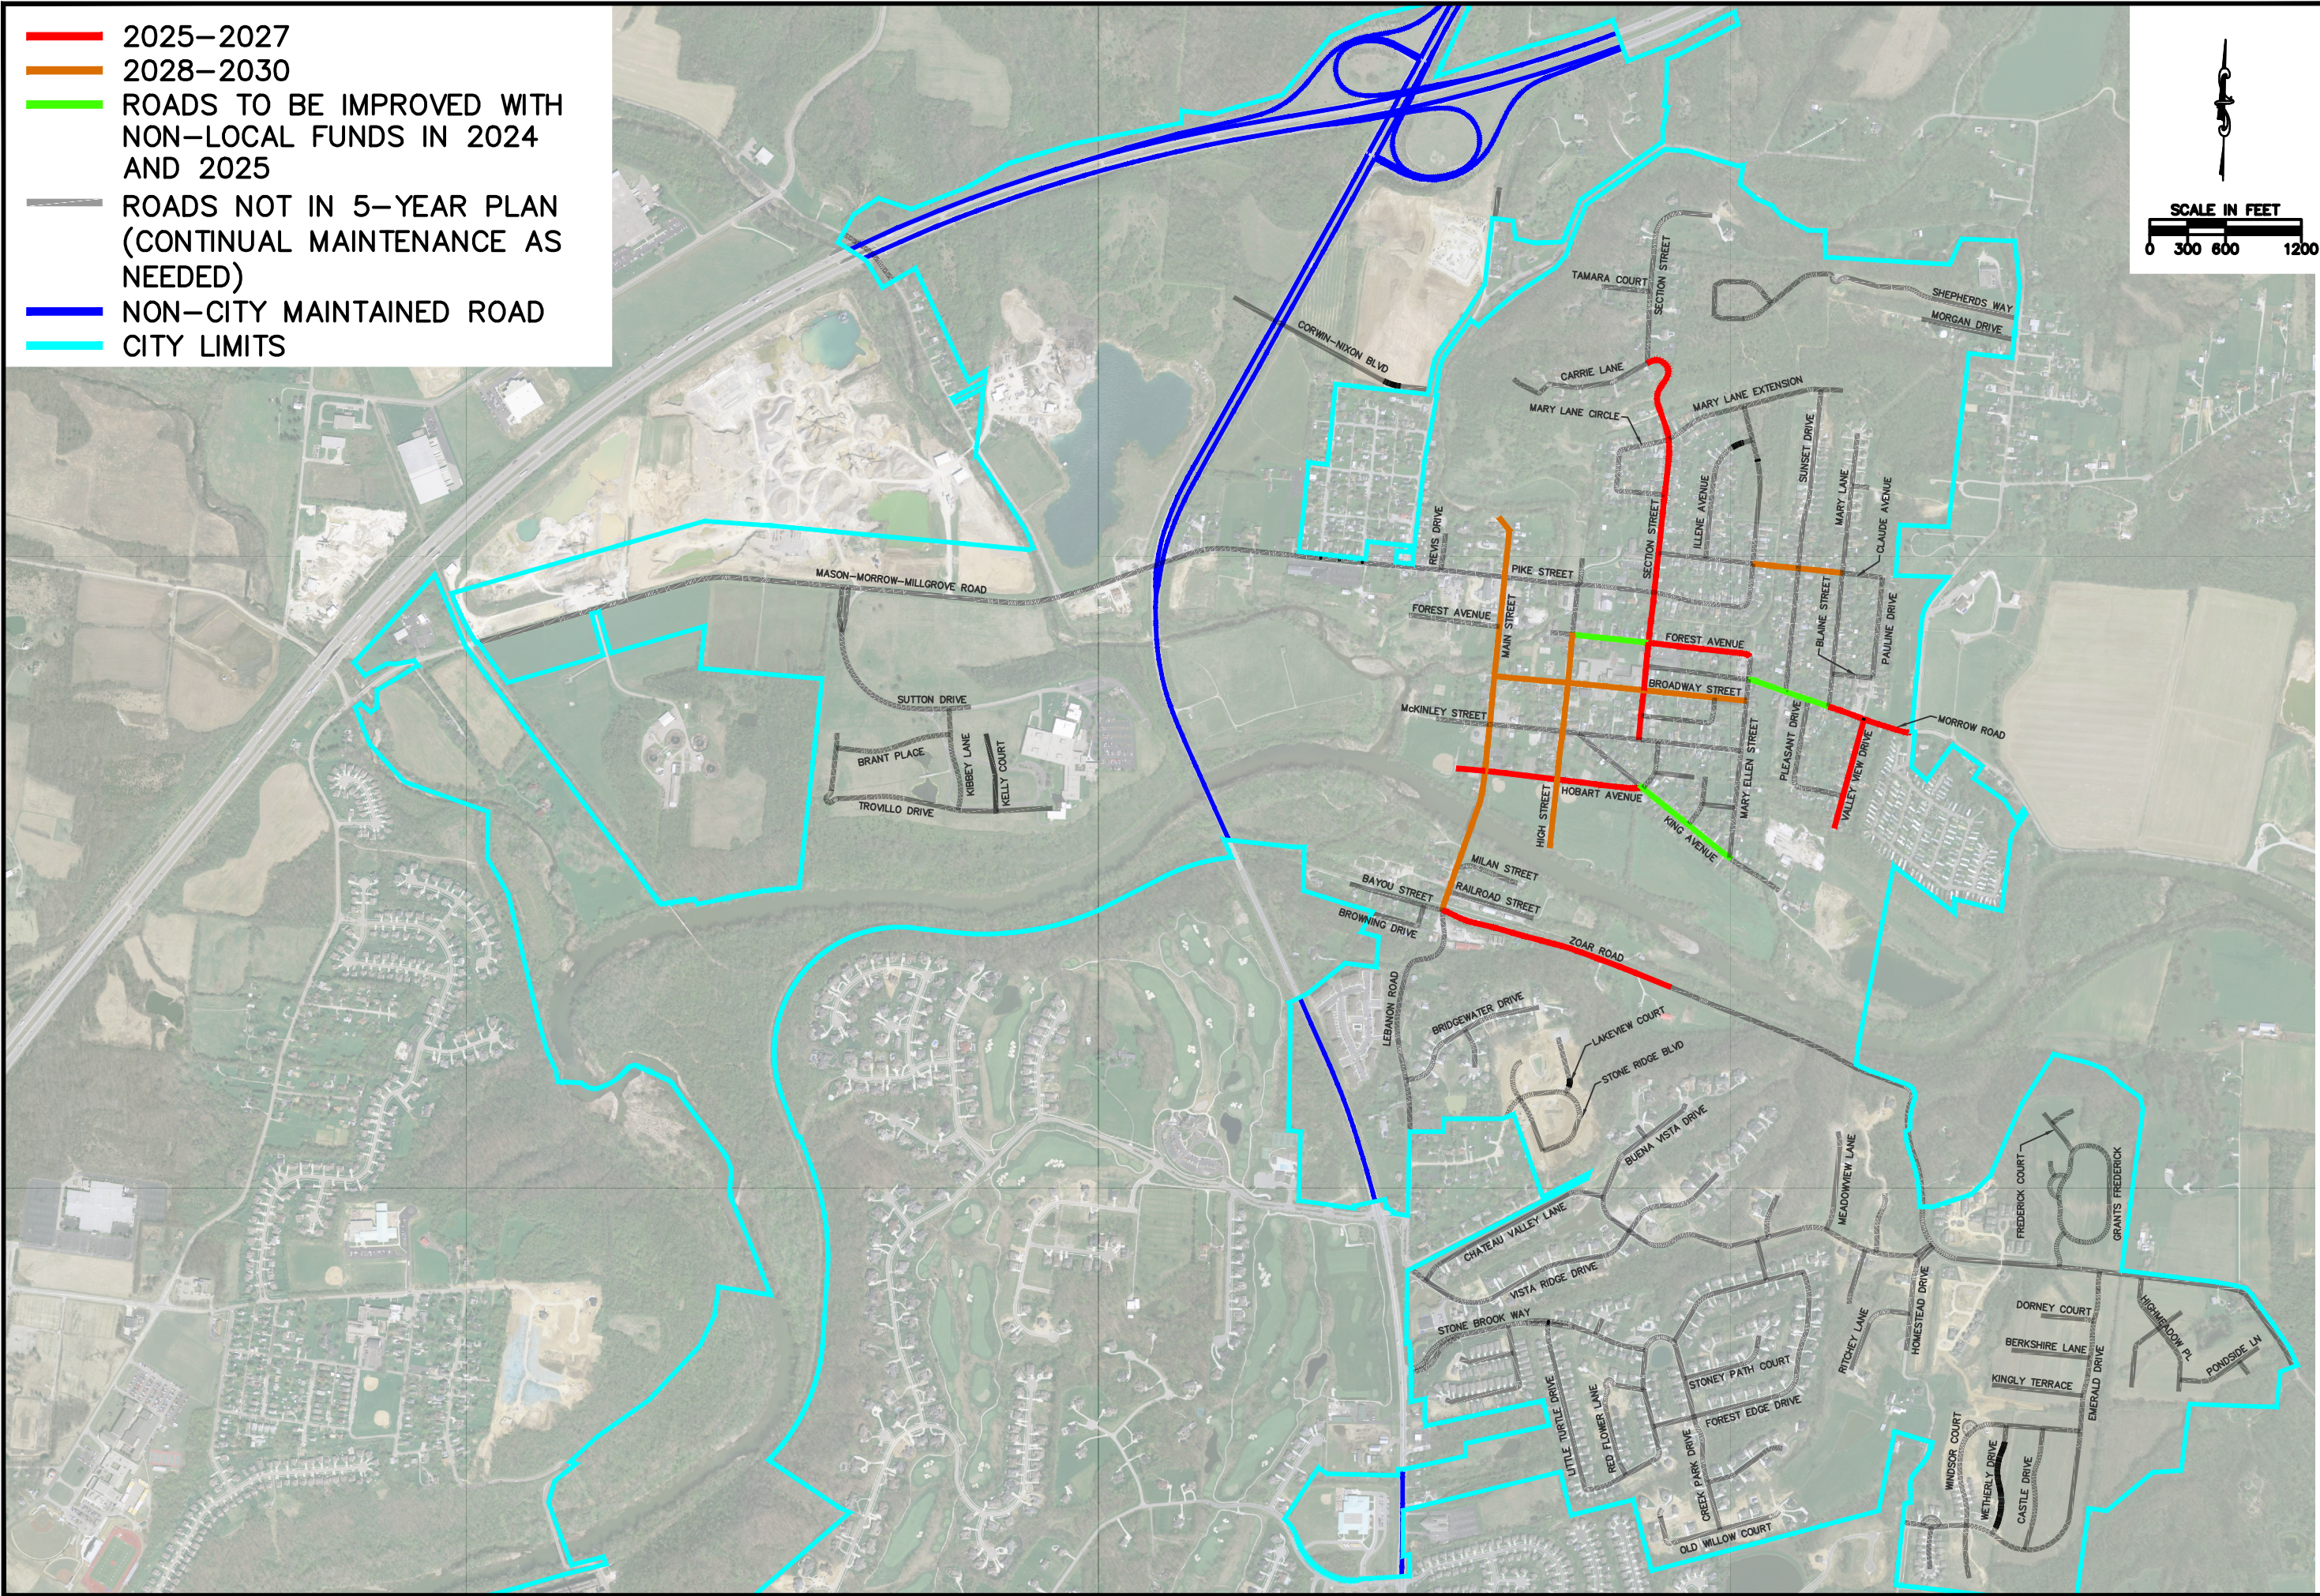

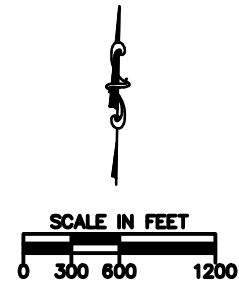

CITY PAVING PROGRAM

Year	Street	from	to	Type	Estimated	
					Cost	Funding
