

TRASH CANS

SOUTH LEBANON ORDINANCE NO. 2013-01 Requires all trash cans containers and trash to be placed out for pick up no earlier than **6:00pm on the day prior to the day of collection.**

All trash receptacles and trash not contained within a receptacle shall be set out along the curbside of the street at the address from where the trash originates. Recyclables shall be put in the receptacle provided by the refuse collector and set alongside the curbside.

All trash set out for trash collection whether contained within a receptacle or not, must be completely wrapped if required by the rules of the refuse collector, now in effect or as amended hereafter, including but not limited to: completely wrapping with plastic any bedding items such as mattresses, box springs, bed frames, comforters, mattress covers, pillows, sheets and cases, carpeting and carpet padding; draperies and curtains, furniture; or, items of any kind partially or wholly consisting of upholstery.

All trash receptacles shall be removed from the curbside prior to sunset on the day of collection.

All trash not collected by the refuse collector on the day of collection, shall be removed from the curbside and properly disposed of by other means or concealed out of the night prior to sunset on the day of collection.
